

C.V.

Name: Yasser Ahmed Mohammed El-Gendy.

Date of Birth: 1st. Jan. , 1970.

Sex: Male.

Nationality: Egyptian.

Marital Status: Married.

Address:

Home: 19 El-Zafer St., Elhwamdyia,

Giza-Egypt.

Work: Helwan University-Faculty of Science

Physics Department, Cairo, Egypt.

Telephone No: 0238118793 & 0161725588

Fax : +20225552468

1. B.Sc. Faculty of Science- Helwan University, 1992 with final grade Excellent (90.85%).

2. M.Sc. Faculty of Science- Helwan University.

In Solid State Physics on 25/6/1997.

Title of M.Sc. Thesis: “*Study of Some Electrical and Optical Properties for Copper Selenide Thin Films*”

3. Ph.D. Faculty of Physics- Belgorod State University- Russian Federation on 19/10/2006.

Title of Ph.D. Thesis: “*Structure of Thin Silver Films under Irradiation by Helium Ions*”

Experience:

Demonstrator, Physics Department- Faculty of Science- Helwan University (17/9/1992).

Lecture assistant at Helwan University- Faculty of Science- Physics Department (9/9/1997).

Lecturer at Helwan University- Faculty of Science- Physics Department (1/12/2006).

Teach subject

Thin Film.

Properties of matter.

Heat.

Electricity and magnetism.

Ability

- Excellent work on "coating unit model Edward and electron gun to prepare Thin film".
- (XRY) x-ray diffraction and some programs to study structure of material like FullProf and CrysFire"
- Work on "SEM and TEM".
- Read, write and speak English is good.
- Read and speak Russia language is good.
- Computer work Software and hardware excellent.

Publications:
