

# Curriculum vitae

## Samir Gaber Sayed

### **Personal Data:**

Date of Birth : July 12, 1957

Place of Birth: Koyul, Egypt

Faculty of Electrical and Electronic Engineering ,

University of Aleppo, Aleppo

Syria

Tel.: 00963-21-2236322 ext. 6322

Fax: 00963-21-2229184

### **Education**

Ph.D. in communications, July 1983.

M.S. in Electrical Engineering and communications , November, 1979

### **Experience**

Lecturer of Electronic and Communications Engineering on:

- Radar Technique.
- Power Electronics.
- Transmission Lines.
- Advanced Electronic Communication Systems.
- Television Technique.
- Transmission and switching communication systems.

### **Books**

Theory of Communication, Assad Academy, 1987

Communications, University of Aleppo, 1992

Communication engineering –2003, Helwan University

### **Papers Published**

1. Advanced frequency and low noise signal generators, Journal of Electrical Engineering, EF-STU Bratislava, No.3, vol. 41, 1990.
2. Multiplex in optical fiber sensor systems, Journal of Electrical Engineering , EF-STU Bratislava, No. 7, vol.41, 1990.
3. Theoretical and experimental investigation of bifurcations in a real LC Autonomous circuit, Journal of Electrical Engineering, EF-STU Bratislava, 1994.
4. Frequency stability improvement possibilities of MXCO. At 10<sup>th</sup> international conference "Radioelektronik 2000". Slovakia – September 2000.
  1. Published in electrical engineering magazine –volume 51 – 2000.
5. Reliable transmission of information using phase-frequency modulation and block codes. Published in Aleppo University research journal in issue 29- 2001.
