Maurizio has researched both at the University of Rome Law School and at the Legal Service of the European Commission in the fields of privatizations and competition and has written monographs and published articles in the fields of corporate finance, the protection of minority shareholders, and antitrust. He is a frequent lecturer at national and international symposia in these fields. Currently, Maurizio is researching on the impact of ESG on cross border and domestic M&A.

Maurizio founded Delfino e Associati Willkie Farr & Gallagher LLP in 2000 and focused his practice on M&A and Private Equity and distressed M&A, Corporate Governance, Equity Capital Markets, and Antitrust. He is a member of Willkie's Corporate and Financial Services Department and of Willkie's European Committee.

In the years since inception, Maurizio has been involved in important acquisitions and divestments regarding companies in diverse fields, including fashion (including both high end and accessible), design, steel, chemical and pharmaceutical, automotive, insurance, aerospace and defense, energy and infrastructure.

Maurizio speaks Italian, English and French.
